HOW IT WORKS

There are six main categories:

- New Machinery • Used Machinery • Servicing • Tooling • Woodwaste & Heating • Software

Two of the main categories, New Machinery and Woodwaste & Heating, also have a number of sub-categories.

You provide us with your company details plus optional logos and *photograph(s) or a maximum of 30 promotional words and indicate which category (ies) (and *sub-category(ies)) you wish to be included in; we do the rest including setting up a hyperlink to your website. You can be included in as many categories (and *sub-categories) that you wish, costings shown below:

Annual charge (+VAT)

1st main category entry - £199 per entry including company details, logo and photograph or wording.

Further main category entries - £50 per entry including company details, logo and photograph or wording.

Inclusion in sub-category headings (where available) - £10 per entry including company details, logo and photograph or wording.

* Sub category entries dependent on main category entry booked.

Goes live 1st September 2010

12 months online exposure for one cost
